Check out the top 250 most famous authors on Read Print. For example, if you're searching for books by William Shakespeare, a simple search will turn up all his works, in a single location.

### **Beyond Metropolis The Planning And**

Beyond Metropolis studies planning and governance in the regions surrounding the twelve cities in Asia with populations over ten million: Tokyo, Mumbai, Kolkata, Dhaka, Delhi, Shanghai, Jakarta, Osaka, Beijing, Karachi, Metro Manila, and Seoul. These regions are greater than cities plus suburbs: for almost all, development has sprawled into the surrounding countryside, enveloping villages, towns, and small and medium-sized cities, creating "extended metropolitan regions."

Instead of planning primarily for mobility, our cities should focus on the safety, health, and access of the people in them. Beyond Mobility is about prioritizing the needs and aspirations of people and the creation of great places. This is as important, if not more important, than expediting

movement.

**Beyond Mobility - Island Press**

Fast forward three decades and that question is at the heart of a budding movement for an interplanetary human society. Helmed by neoliberal business moguls like Elon Musk, Jeff Bezos, and Richard Branson, the protagonists of the so-called billionaire space race, the push to settle on Mars—and beyond—is riddled with tricky ethical questions.
