The Problem of Racial Profiling - Why it Matters and What ...

Racial profiling did not end with the Bush administration; in fact, it intensified, even while it changed shape and took on new targets. But the tactic remained the same: using racial or ethnic appearance as an indicator of suspicion, followed by law enforcement engagement.

Racial Profiling: Past, Present, and Future?

Racial or ethnic profiling is the act of suspecting or targeting a person on the basis of assumed characteristics or behavior of a racial or ethnic group, rather than on individual suspicion. Racial profiling, however, is not limited only to an individual's ethnicity or race, but can also be based on the individual's religion, or national origin.

Racial profiling - Wikipedia

After 9/11, R.I. doctor found out how racial profiling ...

"Racial Profiling" refers to the discriminatory practice by law enforcement officials of targeting individuals for suspicion of crime based on the individual's race, ethnicity, religion or national origin. Criminal profiling, generally, as practiced by police, is the reliance on a group of characteristics they believe to be associated with crime.

Racial Profiling: Definition | American Civil Liberties Union

In a nutshell, racial profiling factors into how authorities identify individuals suspected of various crimes, including terrorism, illegal immigration or drug trafficking. Opponents of racial profiling argue that not only is targeting members of certain groups unfair, but it is also ineffective in tackling crime.

The Racial Profiling Debate: No Pros, Only Cons

Racial Profiling. Racial profiling is a longstanding and deeply troubling national problem despite claims that the United States has entered a "post-racial era.". It occurs every day, in cities and towns across the country, when law enforcement and private security target people of color for humiliating and often frightening detentions, interrogations, and searches without evidence of criminal activity and based on perceived race, ethnicity, national origin, or religion.

Racial Profiling | American Civil Liberties Union

Racial profiling often stems from what researchers call "implicit bias" -- a bias we might not be consciously aware of. For example, studies show "white people will frequently associate...
