About this book. The Palgrave Handbook of Criminal and Terrorism Financing Law focuses on how criminal and terrorist assets pose significant and unrelenting threats to the integrity, security, and stability of contemporary societies. In response to the funds generated by or for organised crime and transnational terrorism, strategies have been elaborated at national, regional, and international levels for laws, organisations and procedures, and economic systems.

Criminal Law | Jonathan Herring | download

Utilizing Foucault's genealogical method, this book traces the development of the victim from feudal law, arguing that the historical power of the victim to police, prosecute and punish offenders informed the modern criminal law and justice system. This book advocates the victim as an agent of change, a new perspective for today's justice system.
