This manual on running a business without falling into the usual commercial patterns often sounds like a series of outtakes from *The Serial*; as in the case of the entrepreneur who wrote, illustrated, and self-published an item called *Liberating Masturbation* which she sells at her "body/sex workshops." Or the success story of the marketing of Protopipe, "good for the life of an ordinary ...

Just like empires, companies can come and go with the times. However, there are some that last for ages, and great leadership is the secret. Great leaders have the ability to motivate employees, help others see and believe in a vision, and lead innovation in the company. Having a great leader at the helm is something that all investors, consumers, and employees want.
