Stand By Me, The Body is different than Stephen King's usual writing. Unlike his gory horror novels, this short story is just a book about four misfit kids who go on a hike to find a rumored dead body downtown, but on the way, they learn about friendship and family and reputation, and they also learn the real meaning of death, and what once became an immature

(1982) is a collection of four Stephen King novellas with a more dramatic bend, rather than the horror fiction for which King is famous. The four novellas are tied together via subtitles that relate to each of the four seasons. The collection is notable for having nearly all of its novellas turned into Hollywood films, one of which, *The Shawshank Redemption*, was
