When you enter a high context situation, it doesn't immediately become a low context culture just because you came in the door! It is still a high context culture and you are just (alas), ignorant. Also, even low context cultures can be difficult to learn: religious dietary laws, medical training, written language all take years to understand.

EarthEnable is committed to creating a long-term solution in Rwanda, which means training Rwandans to do the work. As part of EarthEnable's model, we train local Rwandans as masons to learn exactly how to create and install an earthen floor. Then, the masons are able to go out and become income-generating entrepreneurs utilizing their new skills.

Every street in every city, every stretch down every country road, should indeed be a zone where opportunity calls home. In pursuit of that bold ideal, Opportunity Zones were created under the 2017 Tax Cuts and Jobs Act to stimulate economic development and job creation, by incentivizing long-term investments in low-income neighborhoods.
